

2024 Maine Lobster Festival

RETURNING Food Vendor Application

THIS APPLICATION IS NOT FOR THE ARTS AND CRAFT TENT, OR COMMERCIAL VENDORS

We are looking forward to our 77th Celebration of the Maine Lobster Festival July 31 - August 4, 2024.

The **2024** pricing for our Food Vendors is **\$8.50** per square foot (a 10x10 space is \$850.00 for 5 days).

Our **outside area** spans most of the festival grounds and includes a variety of food trucks and commercial vendors. Vendors should plan to only have access via the front of their space and should not plan for walk around space unless you are purchasing additional square footage. Lastly, ensure your square footage includes your depth. This will determine where are able to place you due to location restrictions.

Equipment Requirements

Rockland Festival Corporate does have the option for you to “rent” a Red & White tent that measures 15ft in the front with an established counter space. There are only 4 available and are rented on a first come first serve basis. These rent at \$1,700 for 5 days.

All others, you will be required to meet ALL current electrical and plumbing codes set for 2024. Rockland Festival Corporation will not provide modifications to our electrical and/or plumbing set up. You must also provide your own electrical wiring, cords and plugs, water hoses, and food storage (Fridge/Freezer for non soda items). Our spaces will be located on pavement or grass, so be prepared for either.

If you are purchasing vendor space for a vending truck or trailer, you must include the tongue length in your overall space needs.

- Example, if you are purchasing a 20ftX10ft space, your entire trailer/truck including the tongue, bumper extensions, storage equipment, etc. must fit within the 20ftx10ft space. If it does not, you must purchase additional space. Please measure your trailer at the longest point and request the size location to accommodate your needs.

If you require space for a service trailer, you need to purchase that space as the same square footage price. We do not have additional space behind your tent to store storage trailers. Off-site parking is available at several different independent lots at varying prices for the week.

The sale of Coke products is required of all Food Vendors who plan to sell soda. This is per our agreement with Coca-Cola. Please indicate if you plan to sell bottled/fountain soda. Nutrition and mixed drinks are different.

Set Up Time

General set up will start on Tuesday, July 30 at 10 a.m., however additional times will be communicated directly to vendors leading up to the event. We kindly ask that you **do not** arrive earlier than that as there is a lot of activity on the festival grounds that needs to occur prior to vendors setting up. The exception to this is if you have a vending trailer. We kindly ask that trailers and trucks be in place on **Monday, July 29th**. Once vendors start to set up their tents, it is nearly impossible to maneuver a trailer into place. We have limited space, and we are usually filled to capacity.

It is our goal to provide you the best location available; however, we do reserve the right to move your

location prior to you setting up if there are situations that we cannot avoid. We may not be able to honor special requests as placement is determined using many factors.

DEPOSIT

To reserve your space, we require a non-refundable **\$250.00**. This initial deposit can be paid by check or money order OR by credit/debit card once an invoice is sent. A Final invoice will be sent from our Treasure's office and will be due in full by July 1st. Spaces that are not paid for intime will be forfeited and deposits will not be returned.

Once we receive your contract and space details, we will inform you of your approval via email and send you an invoice for a deposit via Quickbook payments. You can submit your insurance and seller's certificates once you have received your approval information.

We try to ensure that there is limited overlap in products sold to allow our vendors the best opportunity to sell their products; however, we cannot guarantee, nor will we commit that another vendor is not selling a similar product. We will do our best to appropriately space apart similar vendors, but with a limited space, it is often not possible.

Please do not list "Misc." on your application, we need to know specifically what you plan on selling at the Festival. As a new vendor, please provide us with **pictures** of your items and your booth set up if available. Vendors selling multiple products such as shirts, hats, sunglasses, etc. must understand that similar products will be sold by other vendors. It is up to the decision of the festival as to what products we will allow to be sold on the premises.

We provide basic electrical needs up to **700 watts or 5 amps** of power during your stay with us. If you will be using more than 700 watts/5 amps, there is an additional \$150 charge for the 5 days. Vendors that require special connections or separate electrical set ups will need to work directly with our Electrician to establish this service and **you will be responsible for payment directly to the electrician.**

Once you have completed your application, please mail, or email a copy with your deposit information:

**MLF Vendor Committee
PO Box 552
Rockland, ME 04841**

Applications can also be scanned and emailed to vendor@mainelobsterfestival.com

We will respond as quickly as possible once we receive your application, but please understand the festival is completely run by volunteers that have other full-time jobs, so we are sometimes not able to respond as quickly as you would like.

Thanks, and we look forward to working with you.
Maine Lobster Festival Committee

2024 MAINE LOBSTER FESTIVAL
FOOD VENDOR CONTRACT

All information below must be completed before approval. Please write neatly!

PLEASE PRINT NEATLY:

Name of business or organization _____
